## **Church Finance and Administration**

Led by Rev. Robert Cox      3 Hour workshop

Participants will understand the importance of proper record keeping. Participants will learn how to record giving, manage cash, and properly report finances to the boards and agencies. Each participant will receive a workbook to take back to their church.

This is a 3 hour workshop and registration is required.

## **Pastor Parish Relations Committee Training**

Led by Rev. Susan Leonard Ray      1.5 hour workshop

Every fall, the PPRC of every local church has important work to do: setting salaries, completing annual evaluations, and filling out the advisory response form. Additionally, all across our denomination, churches are considering new ways of partnering for growth and impact through merging together and sharing resources.

In order for PPRC's to be most effective and most informed, we will meet together to discuss this important work.

## **Plan and Lead Meetings That Get Results!**

1.5 hour workshop

Learn a unique , innovative model designed to get results in every meeting or training. The RESULTS Agenda provides the structure leaders need to clearly articulate the purpose, goals and the results expected from your group/ committee members. Change the way you prepare, plan and lead your meetings to get the RESULTS God is calling you to do.

## **The N.O.W. Model & Other Leadership Structures.**

Led by Rev. Cathy Joens      1.5 Hour Workshop

Church leaders, council members, and ministry teams will learn what the N.O.W. (Nurture, Outreach, and Witness) is. You will learn why it is important. And, you will learn how to implement it effectively in your church.
